TECHNICAL DATA SHEET

WF-CORNER

PVC CORNER PROFILE WITH REINFORCING FIBER MESH FOR ETICS

PROFILE SIZE	STANDARD LENGTH	COUNTRY OF ORIGIN
10 × 10 cm	250 cm	GERMANY

Product Description

WEKANO PVC Corner Profile Angle is designed for accurate corner formation in ETICS systems. It helps protect exposed building edges, including external corners and door and window areas.

Advantages & Characteristics

ADVANTAGES	CHARACTERISTICS
• Enables easy and accurate edge formation. • Protects impact-prone building edges, including house corners, doors and window areas. • Fabric reinforcement from European production.	• Alkali-resistant fabric. • Non-slippery fabric. • Suitable for use in ETICS systems.

Technical Characteristics

PROPERTY	SPECIFICATION
Profile material	Impact-resistant hard PVC
Profile stabilization	UV-stabilized
Fabric material	Glass scrim / reinforcing mesh
Fabric colour	White (other colours on request)
Fabric weight (g/m²)	Approx. 165
Aperture size – warp (mm)	3.9
Aperture size – weft (mm)	4.3
Adhesive	Hot melt adhesive
WEKANO product size	10 × 10 × 250 cm

BRAND	PRODUCT CODE	COUNTRY OF ORIGIN
WEKANO	WF-CORNER	GERMANY

The product size shown is the WEKANO size specified on the product label. Other technical characteristics are reproduced from the supplied product technical documentation.

Processing Recommendations

For installation in ETICS systems

INSTALLATION GUIDANCE
1. Apply the reinforcement mortar in a sufficiently thick layer to the corner areas.
2. Embed the fabric corner profile into the mortar, keeping it aligned.
3. Remove excess mortar using a reinforcement spatula.
4. Ensure a fabric overlap at the joint between two corner profiles.

Product & Storage Information

PROPERTY	SPECIFICATION
Standard colour	White (other colours on request)
WEKANO product size	10 × 10 × 250 cm
Storage	Store cool and dry. Protect against UV radiation and weather.
Package quantity	Not specified for the WEKANO product

Brand & Company Information

Brand	WEKANO
Product code	WF-CORNER
Country of origin	Germany
Brand owner	International Kingdom for Building Materials LLC
Address	Maabil Sanaya'a, Seeb, Muscat, Oman
Website / Email	www.wekano.com | info@wekano.com

Application recommendations are based on empirical values. The customer must inspect and test the goods for the intended field of application. Changes to technical values, images and texts may occur.
